

# CLUB LIFE SPRING EDITION 2025

# AGM 2025

**Thank you so much to all members who attended the AGM. We had a lively debate on various topics (see below) and congratulations to all our incredible members who won awards on the evening.**

# AGM 2025 **IMPORTANT**

## Court Etiquette Update

**Team matches** (team players representing WLTC only) and they have not finished on time, unfortunately you will not be able to play on the court. The club allocates court time to matches but on occasion they can overrun. Please go the bar and ask a member of staff for help and to book a different court (depending on availability).

**Tennis wear** and tennis shoes are the only clothing permitted on court. NO - vests, jeans, dresses, football kits, marking soles.

At the **End of Your Session** you MUST vacate the court (with all your belongings and balls) by the start time of the next players' session. Please do not overrun your allotted court time.

**On Court** if your ball goes onto another court, wait until they stop playing until you either ask for the ball, or fetch it. Always go round the net, not over it. If you need to cross a court to get to another court, wait until the game has finished or the people playing on the court signal for you to cross - do not walk behind players if they are playing a point.

Only sports drinks or water, in sealed containers (no glass), are allowed on court, together with sports snacks. No gum should be chewed on court.

**Spectators** should consider players' feelings and not offer advice, adverse comments or call out during games. Speak quietly if you have to use your phone near the courts. Players should not shout or swear on court. Please act professionally and do not shout out during rallies.

*Please take time to read the above these rules are to be followed by ALL members and their guests, without exception.*

# Access to Courts

**YOU MUST** use the pathway round the back of the clay courts if you are playing on courts 7 or 4.

If you are playing on one of the middle courts (court 8 or 5) please wait quietly in the car park before there is a break in play for you to walk across to get to your court.

**DO NOT** walk across or behind players courts if they are in the middle of a rally. You must wait until they signal for you to cross.

If an interclub match is in progress there will be an additional sign on the gate and you **must not** disturb the match. You may walk across to your court at the end of game once invited by the players.

Players on court, please be reasonable in allowing players to come across your court.

**When crossing any players court please take the shortest route and move as quickly as possible.**

Thank you for your co-operation.

By Order of the Committee

# AGM 2025 Questions

**Q: Can a notice board for interclub matches be installed?**

A: Yes, we can look at installing a notice board to highlight which courts the matches will be played for that weekend.

**Q: Can we put the windbreakers up between courts 4, 5, 6, 7, 8 & 9?**

A: The windbreakers are taken down in the winter due to the shadow they cast across courts 4, 5 & 6. As the sun does not rise high enough to eliminate this shadow, it can cause the back of these courts to remain icy, and therefore unplayable. They will be put back up again in the spring time.

**Q: Can a more secure bike rack be installed?**

A: Beci is currently exploring the opportunity to install a new, more secure bike rack.

**Q: Can signs be made to instruct members not to walk across match courts?**

A: Yes, signs will be made and put up on courts 9 & 6 to instruct members to use the pathway round the back. As well as a sign to ask members not to disturb any matches against other clubs which will be removed when not in use.

**Q: Can we form an alliance with a Padel club?**

A: Beci & Andy have already reached out to Padel Maidenhead and are currently working with them to organise an adult competition.

**Q: Can we put a cover on more of the outdoor courts?**

A: Currently, the costs involved (£250k-£300k + VAT) are currently prohibitive. Plus, planning permission and costs of planning permission could also present other issues.

# WLTC Wins Competition of the Year Award 2025!

We are very honoured to have won the 'Competition of the Year' award by the LTA for our annual Grade 3 Windsor Open tournament. So many people work tirelessly to make this event the success it is today, including all the members, staff, players and of course Janet, our exceptional referee. Thank you everyone who makes it possible year after year, this award goes to all of you!

## Court 11 Maintenance

We have recently invested in 2 new squeegee brushes for court 11 to help clear the puddles off the court in an attempt to make it more useable. Please ensure that after using the squeegee you hang them back up on the fence to allow the water to drain from the sponge, so it is ready for the next person to use.

# Latest New Projects Completed 2025

New welcome fence installed to create a more sophisticated vibe. We hope to plant some nice, colour flowers and hedges along the right hand side to make it even prettier.

A lovely revamp of the bin cupboard/storage area and covered indoor entrance. Now it looks much neater and tidier when driving in, as well as a more secure gate for extra storage.

# Junior success

Congratulations to our juniors - William Mishriky, Saanvi Chandak, Nirbhay Singh & Harper Johnson for a fantastic performance at the 8&U Berkshire Youth Winter League at Bradfield on Sunday 2nd February.
