Club Updates

Disabled Loo Refurbishment

We are pleased to share that our newly refurbished disabled loo is now fully operational, offering improved accessibility and comfort. Thank you for your patience during the upgrade! We hope the updated facilities make a real difference for those who need them.

Clay Court Votes are IN!

Thank you to all the members who voted with regards to the clay court resurfacing. We are pleased to announce that with an overwhelming majority (187-6) clay courts 7, 8 & 9 are booked in to be resurfaced at the end of the summer.

This will all be funded from the monies we have accumulated in our sinking fund, so we will not need to take out a loan and we will not be increasing memberships to cover the cost.

Windsor Open

Huge thank you to everyone who took part and helped out at this years' Windsor Open Tournament! With a special shout out to our amazing sponsors at The Shanly Foundation and Qualia Sport for their support.

Team News

A message from our overall ladies team captain, Gráinne Leyton-Smith:

“The summer season is still in full flow but the ladies teams are already looking ahead to the winter season which heralds the introduction of new team captains.

First of all a huge thank you to all of this years captains for their hard work: Ilona Hawker (1st team), Inge Redelinghuys (2nd team), Jossi Williams (3rd team), Sian Thurner (4th team) and Sam Carloni (5th team). There's no question this has been a tricky year to manage with player availability down due to given the number of injuries and more happily, the number of gorgeous team babies that have arrived.

The new team captains have stepped up to take over before the winter season and I'm delighted to say are as follows: Ilona (remaining 1st), Liz Bojarczuk (2nd), Ali Hill (3rd), Jo Godsmark (4th) and Tricia Gibby (5th).

It's great to see so many new volunteers coming forward to run the teams - thank you!”

I would also like to say a huge thank you to Gráinne, for her incredible dedication and leadership as Overall Ladies Team Captain over the past few years — your hard work and commitment have made a lasting impact. We are truly grateful for everything you’ve done.

Well done to all 6 men’s teams who had some hard fought battles this season. With a special congratulations to Men’s 1 & Men’s 6 who won their divisions, and to Men’s 2 who managed to secure 2nd place.

Mixed matches have just started up, with first round wins going to Mixed 1 and Mixed 3.

Happy 90th David!

WLTC were very proud to host the 90th birthday of one of our longest standing members, Mr David Oldcorn. David has given so much of his time, dedication and hard work over the years, organising his prestigious Friday morning sessions for as long as any of us can remember. Many members came down to share this very special occasion with David, and there was plenty of cake to go around!

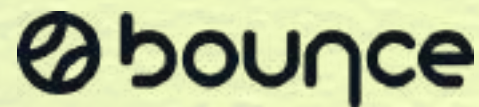

Well Done Kathy!

Huge Congratulations to Kathy Pirrie, who completed the Windsor Easter Ultra Challenge on 12th April, walking 25k (in just less than 4 hours) to raise money for The King George VI Day Centre in Windsor. Kathy would like to thank everyone who sponsored her for this magnificent cause. In total she managed to raise a very impressive £2400.
