

# CLUB LIFE SPRING EDITION 2026

# AGM 2026

A sincere thank you to all our members who attended the AGM. It was fantastic to see such a great turnout and to be part of a lively, thoughtful debate on a variety of important topics. Your contributions and engagement made the evening both productive and enjoyable. Congratulations as well to our incredible members who received awards – your achievements are truly well deserved, and we are proud to celebrate your success.

Member

Andy Mustill -  
Head Coach

Ian Fletcher -  
Committee  
Member

Bikram Chopra -  
Committee  
Member

Ajey Kaushal -  
Committee  
Member

# AGM 2026 Award Winners

Huge congratulations to Vrinder Atwal, our mixed team player of the year. Vrinder has maintained positivity and hard work throughout a time of hardship being captain of a team forced to remain in a tough division.

Well done to Sian Thurner who won the ladies team player of the year award. Sian is such a positive person both on and off the court. She is almost always available to play in matches and very willing to play in any team with any partner!

# Recent Tournaments

## WLTC's AUSTRALIAN OPEN

Congratulations to our finalists, Louise Chukwuemeka & Alison Brattle. And to our winners - Tricia Gibby & Navin Thadani!

# Generation Gap

Huge congratulations to Mohinder and Theo for their fantastic victory in this year's Generation Gap tournament! In a thrilling final, they went head-to-head with the formidable duo of Isabella and Ajey in a match that had everything – momentum swings, nerve-testing rallies, and some truly inspired shot-making. Both pairs battled fiercely, refusing to give an inch, but Mohinder and Theo held their nerve at the crucial moments, combining experience and youthful energy to edge ahead when it mattered most. A brilliant contest and a well-deserved win – champions in style!

# Adult Teams

Windsor Ladies enjoyed another outstanding winter season, proudly representing Windsor LTC in the top national competition. Competing against the strongest clubs in the South East North region, the team once again demonstrated their strength and consistency.

This year, in the NPL Windsor secured an impressive second place, just behind league winners Cumberland.

The team delivered a dominant season overall, winning 5 of their 7 fixtures with a perfect 4:0 scoreline.

This strong result has earned Windsor Ladies a place in the playoffs in Loughborough, where they will compete for a spot in the National Finals. Only the top eight clubs in the UK qualify for this prestigious final stage.

# Junior Section

Windsor boys were busy representing their county at the County Cup – and they came home with medals after a fantastic team performance. Competing at Aldershot, the boys went into the group stages as favourites and lived up to expectations with dominant wins against Dorset, Wiltshire and Hampshire. Across singles and doubles matches, they won an impressive 15 out of 16 rubbers. Casper and William played 2 doubles together throughout the event, showing great teamwork, communication and composure under pressure. Bringing more enjoyment to the event.

**With this strong performance, the team qualified for the National Finals South in Southampton on Sunday 15th March...**

# Windsor boys at the National Finals

A massive shoutout to our very own William and Casper, who played a pivotal role in Berkshire's success at the 9U Boys County Cup South Area Finals in Southampton. Representing Windsor with pride, these two were absolute warriors on the court.

After a long day of high-level tennis against tough county opposition, it all came down to a final podium decider against Suffolk. With the match score finely balanced after the singles, the pressure was firmly on.

William and Casper stepped up for the deciding doubles match – and delivered. Showing the same chemistry and composure that had carried them through the earlier rounds, they produced a clinical performance full of grit and determination. Their victory secured a 4–2 win for Berkshire and clinched the Bronze Medal. Captain Nigel Mann praised the boys for their “excellent emotional control” and ability to regroup under pressure – high praise in such a competitive field.

We couldn't be prouder of how these Windsor boys stepped up when it mattered most. Huge congratulations to William, Casper, and the whole squad!

Aaryan & Henry have also been busy competing in recent tournaments. Aaryan came runner-up at the 12U G3 Gosling Open 2025. And winning the London & South East Tour 12U G4 competition at West Surrey Tennis Club. Henry has also found recent success, coming first place at Weybridge Tennis Academy G4 10U, which was refereed by one our very own members - Andrew!

# Karaoke & Disco Night

Our karaoke disco night was a fantastic evening and a great reminder of how much fun our club socials can be. Around 40 members joined in, creating a lively atmosphere from the start. Our DJ was brilliant and brought all the equipment with him, so the room looked great and the music kept the energy going all night.

We all had an amazing time, and even more members than expected got up to sing! We managed nearly three full hours of karaoke, covering all sorts of genres. It was wonderful to see so many members enjoying themselves together, and we're really hoping this is just the beginning of even more social events at the club.

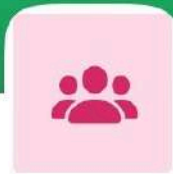

Thanks again to everyone who came along and helped make it such a memorable night.
